

Citibank Building Fort Lauderdale, FL

SUCCESS STORY

“Not only were there trees knocked down by the high winds, the surrounding buildings were severely damaged. Thanks to your film our windows remained intact and we were able to continue operating...”

Mary James, Citicorp Plaza
Jones Lang Lasalle

PROJECT SUMMARY

Area Covered: Entire Building
(16,000 square feet)

Challenge: Hurricane Protection
without the use of shutters.

Solution: Confianza installed tinted
Safety & Security Film to the entire
building thus, making the existing
glass stronger and more energy
efficient, providing a cost effective
alternative in lieu of shutters.
