

**Coconut Grove Bank
Coral Gables, FL**

SUCCESS STORY

PROJECT SUMMARY

Area Covered: Entire Bank Lobby

Challenge #1: Hurricane Protection where other forms of protection where not viable due to the oddly shaped windows.

Challenge #2: Reduce heat gain in Bank Lobby area while maintaining the aesthetics of this landmark building.

Solution: Confianza Window Tinting installed Lumenesse 777-S Clear Safety & Security Film with an overlay of Lumenesse Legacy Nano Ceramic Solar Film. Thus, making the existing lobby glass stronger and more energy efficient.
